

# Follow these steps if in a car wreck

1. **CALL 911** If the accident is not your fault.
2. **DO NOT** listen to the other driver if he asks you not to call the police.
3. **YOU** have been in a car wreck. **YOU** are in a state of mental shock. **YOU** may not feel pain. Insist on going to the emergency room to get checked out immediately.
4. You may lose significant legal rights if you do not consult with an experienced car wreck injury lawyer soon after your wreck.
5. **SCHEDULE A FREE CONSULTATION WITH DAVID LASHGARI, Esq.**
6. **DO NOT** give a recorded statement to the insurance company without getting a lawyer on your side first.
7. 25 Years of helping 100's of injured victims of car and truck accidents.
8. Former top U.S. Government accident investigator, 40 years of accident investigation engineering.
